## GEOCACHING, HOW DOES IT WORK ?

1. Download the Geocaching application or go to Geocaching.com.
2. Create a free account.
3. Select the geocache you want to discover and go [geocaching.com/play/geotours/explore-sion-switzerland](https://www.geocaching.com/play/geotours/explore-sion-switzerland)
4. Once the cache has been found, sign in the log-book, puncture your passport and put the geocache back in place exactly as you found it.
5. Log the cache you just found on your application.
6. Invite a friend and find another geocache !
7. To validate your passport, go to the Sion Tourist Office, Place de la Planta 2.
